

StyleTech 10th Year Anniversary

Celebrating in Style

In July 2009 StyleTech reached its 10th year anniversary and the team celebrated in style with a staff activity weekend!

"Many thanks to StyleTech's customers, suppliers and partners for supporting us over the last ten years.

I would also like to thank all the dedicated staff who have all helped to make StyleTech a huge success.

I feel very fortunate to have such a great team."
